Summary

I have good knowledge in HTML, CSS, native JavaScript, Vue.js. Also I have good experience in cross browser semantic adaptive layout. I am “eternal student” so I can easily adapt to any conditions, fast learner who enjoys finding simple solutions to complex problems, with strong analytical skills. Like to create great things collaborating with other team members. My main goal is to be a highly qualified specialist and always improve my skills.

Skills

- **Technologies:** HTML, Pug, CSS, SASS/SCSS, AJAX, Axios, JSON, Vue.js, Vuex, i18n, Nuxt.js (Vue SSR), React(beginner), AMP, schema.org, API
